

Technology & Tacos

Do you like:

- Watson MST?
- Knowing what's happening during the course of your child's school day?
- Communicating with teachers?
- Supporting your child's educational experiences?
- Learning new things?
- Sharing positive things with people you care about?
- Helping others do any of these things?
- TACOS???

Then our Watson MST Tech Parent Opportunity of 2013-2014 is for you! Join us Tuesday, December 17th from 6 to 7:30pm here at Watson MST. We will explore how social media (and this evening, specifically twitter) can positively impact our Watson MST community. PTA is providing a certain number of tacos on a first come, first served basis. Childcare will be provided for Watson students. Spanish translation will be provided.

We will provide a device for you, so all you have to bring is yourself and a desire to learn. Our evening will begin with a brief intro as to what we think Twitter can do for our campus as well as familiarize you with what we're doing as a staff now. Hosts will provide guidance and answer questions at your level. We'll discuss and develop an understanding of how social media, such as twitter, can help you communicate, learn, and share. We'll set up a twitter account, show you how to "follow" the Watson MST account, view our #WMST stream and how to participate in our Watson Parent Chat (#WPTCHAT).

**So, come one, come all! Know everything there is to know about twitter?
We need you to come help us! Know nothing at all? We want to teach you!
Somewhere in between? Come help and learn!**
