

The Teamann Family

Top 10 of 2013

10. On the 12th year of Taylor, we've seen her long legs a'leaping with basketballs a'bouncing in sport's camps this year.

9. Tenley bounced right into being 3yrs old and has three times as many curls to prove it.

8. Something about that #8 continues to be magical for us. On our 8th (YES 8th) wedding anniversary, Amber got to meet #8, IRL: Troy Aikman. #NowWordsNeeded

7. Michael continues to fight fires and leap tall buildings with a single bound.

6. Michael and Amber had a couple of cozy vacas, including one to Paris! Paris, Texas, that is. Going Goodwilling in Paris just sounds more glamorous eh?

5. Lake Murray was a summer repeat hit by the entire fam. Well, except for Raider, he stayed home to guard the house.

3. Taylor has officially caught the Minecraft flu. Rumor has it, there's an app for that!

4. There is soccer for three year olds. Tenley plays. Entertainment defined!

2. Amber is still loving life as an assistant principal, and even has a new home. A magnet technology center, at that!

1. Tenley has joined Amber and Taylor in the 'big girl panty' club. #pottytrained

For the friends we've seen and the friends we miss, MERRY CHRISTMAS and HAPPY 2014!
